

# Individual and Permanent Life Insurance Solutions

**OMA Insurance** is dedicated to ensuring the financial well-being of its members by offering individual life insurance solutions designed to address the unique needs of medical professionals throughout their careers.

## Tailored Individual Coverage

- We understand that every physician's needs are unique.
- Our individual life insurance plans are designed to adapt to your changing life stages and personal circumstances, perfectly complementing our group products.
- Our ability to complement our Group Life insurance program with individual life insurance options allows us to provide a comprehensive approach, ensuring to capture your most important financial and insurance planning needs.

## Expert Guidance

- Our experienced OMA Insurance advisors provide unbiased, knowledgeable guidance.
- We'll help you navigate the intricacies of life insurance to discover the most suitable option for your needs.

## Diverse Product Suite

- We've partnered with top-tier insurers to offer a wide range of individual insurance products and services for OMA members and their families.
- These partnerships allow us to provide access to Permanent life, Term Life, living benefits and other specialty products and services.

## Strategic Partnerships

- Our strategic partnership is through Hub Financial where we have access to Canada Life, Industrial Alliance, Hunter McCorquodale, Canada Protection Plan, RBC Insurance and more for individual/permanent Life and Living Benefits solutions. As a result, OMA members gain access to competitively priced insurance.

**OMA Insurance's individual life insurance products** provide personalized protection, ensuring that each physician's unique lifestyle and family's future are safeguarded with the right solutions that meet your specific needs.
